

SHOES

d in the drawing room of the Countess Brives.

Permit me," said the Count, accomping his words with a grareful how. Introduce Monstein Bremfeld of how, who I believe has had the oleasure, unmixed with anxiety, of being a parpusht with you in the conflag attenuations.

ment with you in the custing attent at ircner."

Lear the Countees stood Mile. Helene, in himshed slightly when she recogned the handseme American seen only a moment in the help corridor at seva when she was taking in the two le shoes.

Lounfield, however, was not locking her now.

Le was an one danct. His eyes seemed cied is the carpet.

Let Hollis Brombeld was not studying a mattern of the carpet. On the coniry, he was studying the graceful outes of two liftle morocco leather shoes, dainty that a post might with some revenuence compare them to two cares cochineal insects upon a leaf, but. O, the revelation of it. The two lie shoes belonged not to Helene, but the sunt.

The blow at first quits unsettled Hollis ornfield. He regarded his campaign as fallure, Gradually, however, he recoved his good studying was always open to a but gradually the memory of the united states and her nisce, meeterful the grinn was always open to a but gradually the memory of the united states faded away into the dim to their stead arose the graceful figure.

of their stead arose the graceful figure of beautiful face of Heicue, whose feet, though a trifle larger, were no less apely thou hose of the sont. Helone is, medde an excellent musiciate and a bable wirl. In winning her did not Hollis Bromial components himself for his arduous result of the two little shoes?

OMENS OF DEATH.

stances That Proved the Absurdity of Superstitions.

stances That Proved the Absurdity of Superstitions.

It seems to me that when so many permointions of death which were followed by fulfillments are reported, it is only fair that some which proved absolutely mistaken should also be published. (1) On one secondon I was aware that my heaband was cressing that if the from Holphead to Kingstawn, Load so vivid a drams that I believed I was aware, and saw him standing in the sarly morning light dripping from head to foot. The study drop of the water I shall never forget. I was so signed that if an out of the room, and spent the rest of the wight in the room of an intimute lady friend? Next norming the sound was explained, as I found on returning to my room that the raid had come through the ceiling and was dropping into a bath which had cold water already in it. The sound had probably suggested the dream. By a curious coincidence, my husband was exit day allowed to save Dublin by early train; that when I arrived at the same station later. I was stopped and tool trut, owing to a bridge having been sweet away in the right at Omogh, no passenger had been allowed to save amicas station that morning whose destination was beyond Omagh. Naturally, it independent the nuthorities assured to the save heart also, prevented had be come there indeed, the authorities assured to the impression that I had received a "previous for many hours I was under the impression that I had received a "previous in the hall and his stops running use low mature. I was awakened as I believed by hearing him return. I heard his votes in the hall and his stops running use low stairs, and as the dron opened and aid. So yet missed the train." I from myself somithing to an empty room. I from himself the hall and his atops running use low their hards to a start, and as the dron opened is at up in self-same, the impression was so clear—that a book the partially of an admitted that the impersions when have coincided with deaths, less impertance would be attached to the larger.

RODIE'S "FAILURE"

EVERY NOON SHE DROPPED INTO THE BRODIE DRUG STORE.

The minutes before the arrival of the morning post Gity Hamilton would have declared Rye, on-the-Sound, to be the best place on earth in each he would like place on earth in each he would like place on earth in each he would like place on earth in each place. The place is the post of the place is the place of the place in the place of the place is the place of the place in the place of the place is the place of the place in the place of the pl

man until their person was of the private epinion that the young man's brain was affected on the subject of sairing weather.

This last not of preparation was to gen a brief, friendly note to Estello, telling her that he but changed his mind, and would spand the remainder of the month of Angust at Rye. Incidentally, he mention to her that she had put the wrong letter in his bine envelope. The reference to that he would Roep ustilly at least until there is a calm on the sound.

At Rye he spent most of his time in the Cupid alone. He was becoming an expert in the art of salling, but he often wished there was some one to had the plashest for him or to take the miles of in lite her to go with him she did not not in lite sport because of his evident disugelmation to take her.

One night they sai together an the over the trace in the distance.

will a singly lost, he stretched his house where nee said, Curred by the gold that golds and straighten if forchood of the fold.

"At smy rate he very peatly expressed my thoughts upon the matter, I have a first and his money." Just shie his research that have been and the money. Just shie his research that have been spitting in and of course it takes a man butting in had a find that and he was thought in the string the and the man of the was polling on the string the a gold will have fone if eld differly hadn't dropped in a take a man in the same way I wouldn't have thought in the same of the same who had a man of the shield of the same in the game. And would have a lost of the reflied sort of crueity she practical in the same of the same will be suffered to the same to be reposed her to be able to give ber the satisfacton. It certaints the propose here to be able to give ber the satisfacton. It certaints the same propose which would have a lost of share my rather less than half of nach there is year the reflied of the reflied in the first of the re

The time was a little after midnight, and the scene 3 street in the residence portion of the city.

Well, I don't suppose it matters" be continued. Here I am 3 years old an income the continued. Here I am 3 years old an continued in the field to be the continued. Here I am 3 years old an continued but his own fighting was the heart schedule. All he had to fear was a clinch. But when the clinch did come he was right hand under the big fellow's chin, with a sharp lott, he stretched his home fauther and farther back until the clinch did suffer comes butting he matter. I say a street of his opponent and he to have old suffer comes butting he and of course, and the stretched he have less pulling on the string the Anne the clinch and he seek seat.

"And he a funny thing that Anne the "And he a funny the street and last the pulling on the string the agot tied here so butting he and of course, and Wint was punishing him at will with blows aimed altogether at the face.

Of course, another thought has drawn the personnet. Wint found the was find and he had an dever schedule. All he had to fear was a clinch. But when the clunch did come he was allowed by the gold that with a sharp lott, he stretched his head to find under the big fellow's chin, with a sharp lott, he stretched his head to find the course of the had to fear was a limber. But when the clunch did come he was allowed by the gold that with a sharp lott, he stretched his head to find the course of the had to fear was a limber. But when the clinch had the had to fear was a limber to find the had to fear was a limber to find the had to fear was a limber to find the had to fear was a limber to find the had to fear was a limber to find the had to fear was a limber to find the had to

for help. Then he instinctively broke into a run toward the corner from whose the sound had come.

A prie-faced little winner was learning to stop it.

A prie-faced little winner was learning to stop it.

"The rongister was getting all the best while over her beat a perfection rimite to stop it.

"The rongister was getting all the best of it. your most, when the woman come up from behind and hit him over the head with a juxing stone. I came up and made the arrest while the gitter man was kinking her to shot up.

"The point in the woman was kinking her roughly and the law roung islant in the rime."

"The point in the woman was kinking the roughly and the law roung islant in the rime."

"The point in the woman was a first with a paying stone. I came up and made the arrest while the gitter man was kinking the roung islant in the rime."
